TOP SECRET

2 August 1982

Weekly Report

Intelligence Community Staff - See tab.

Directorate for Administration

- On 26 July the Director of Finance briefed Keith Hall, OMB, on Agency travel procedures. Mr. Hall expressed his satisfaction with the briefing.
- At a 22 July inspection three incidents were uncovered of possible unauthorized removal of classified material from the Headquarters building.
- Office of Logistics is reviewing site designs for a 23-foot satellite antenna at the edge of the North parking lot. The antenna will service the Office of Central Reference.

Directorate for Operations - No report.

Deputy Director for Science and Technology

- A short paper will be forwarded by 6 August in response to a DCI request for comments on techniques and capabilities for subtle covert action operations.

25X1

- See tab for discussion of FBIS monitoring of foreign television.

25X1

- On 29 July ORD and SECOM briefed Judge Webster on the Moscow Embassy security program. Problems at the Embassy, the Agency role in security for the new embassy and a briefing on tomography were provided.

Deputy Director for Intelligence

- D/NESA met with Secretary Shultz several times during the week to review the Lebanon situation. He also discussed Lebanon with Secretary Shultz and the President on 30 July.

25X1

TOP SECRET

TOP SECRET

- The DDI met with Deputy Secretary McNamar to discuss ways to strengthen CIA-Treasury ties. He also represented the Agency at a SIG on Iran. The ADDI met with current and past scholars-in-residence to discuss ways to improve the program.

25X1

- OSWR will brief the President's Science Advisor on China's acquisition and use of foreign computer systems, and Deputy Secretary of Commerce, Guy Fiske, on worldwide biotechnology.

National Intelligence Council

- IIMs on Iran's prospects and Colombia's outlook for 1982-86 were completed, and the Iranian paper was disseminated on 30 July.
- NIO-at-Large [] and C/NIC attended the 23-25 July Airlie House Conference on Nuclear Nonproliferation: Policy, Options, and Prospects, convened by ACDA Director Eugene Rostow.

25X1

- Assistant NIO/GPF [] attended the first meeting of a new IG on Military Base Negotiations, chaired by State P/M. The IG will prepare a broad review, requested by Judge Clark, of past and impending negotiations and recommended general guidelines and strategies.

25X1

25X1

Personnel - See tab.

General Counsel

- OGC, DO and FBI officers are briefing stations in Europe and the Near East on Executive Order 12333.
- See tab for status of legislation which would substitute the U.S. Government for Federal employees in law suits based upon alleged tortious action by an employee.
- See tab with regard to a provision in the DoD Authorization Act, 1983, creating the statutory position of IG in the DoD. The House version provides the IG absolute independence and the unconditional right to access to information. The Senate version restricts IG to rare national security cases requiring investigation.

Inspector General

25X1

TOP SECRET

TOP SECRET

25X1

Comptroller

25X1

Office of External Affairs

- On 29 July, NIO and briefed Jerry Seib and William Kucewicz of The Wall Street Journal on "yellow rain."

25X1

Upcoming Calendar

- 6 August - Breakfast with Secretary of Defense (DCI, DDCI)
- 10 August - Breakfast with Secretary of State (DDCI)
 - NFIB Meeting (DDCI)
 - NFIC Meeting (DDCI)

Intelligence Community Staff Weekly Report

26 - 30 July 1982

Completed

25X1

Ongoing

- Caribbean Basin Initiative - Preparing response to DDCI question regarding NFIP programmed funding for long-term coverage of insurgent activities.
- Use of Contract Employees on DCI Committees - The Executive Secretary, NFIB, is preparing a policy to include pros and cons on the question of contract employees serving as members of standing DCI committees. This question was raised as the result of a Chairman, WSSIC, request to have representatives from Sandia, Los Alamos, and Lawrence Livermore as members on WSSIC working groups and subcommittees.
- FY 84 Budget - Based on FY 84 budget forecasts submitted by the Program Managers and detailed ongoing discussions with each of the major programs, the IC Staff is developing a DCI FY 84 budget forecast. This document should be available for a 10 August NFIC discussion.
- Long-Range Planning - Membership on the DDCI-chaired steering group has been solicited from the Community. Drafting of study plans for the various aspects of the Intelligence Community Planning Through 1990 study is progressing.
- Counterintelligence - A draft SIG(I) directive was prepared to implement the action plan tabled by the DCI at the 12 July SIG(I) meeting which considered and approved the issuance of the NSSD 2 capabilities study. The plan has been distributed to members of the ad hoc working group for review and comment or concurrence.
